■ ■ THE ART OF LOOKING GOOD FROM THE INSIDE OUT BY SEAN M. OWENS

SMILE SAVER

What's the one truly perfect fashion accessory, which transcends seasons and never goes out of style? A bright and beautiful smile, of course. Read: sparkling white, chip-free, and aligned-to-perfection teeth. During his 25-year career as a cosmetic and restorative dentist, Jan Linhart, D.D.S., P.C., has pioneered innovative dental techniques using state-of-the-art equipment. Aside from his artistry and expertise

"What's the one truly perfect fashion accessory, which transcends seasons...?"

with crowns and bridges, root canals, periodontal therapy, teeth straightening (using the Invisalign method), and dental implants, Dr. Linhart also has a talent for putting patients at ease. He respects the needs of pressed-for-time visitors and offers special services, such as laser tooth whitening, porcelain laminate veneers, complex bonding, and computer imaging so you can preview your post-treatment smile.
